- **Questions answered on 1 to 6 agree scale**
  - **Strongly Disagree to Strongly Agree; No mid point**
- **Written comments optional**

Air Force Climate Survey

U.S. AIR FORCE

- **Why a survey?**
  - **Surveys provide Commanders with a unique wide-angle view of a variety of key factors which effect their Unit's state of readiness:**
    - **Gathering input from potentially all unit members**
    - **At the same point in time**
    - **Anonymously and confidentially**
- **Survey's can help commanders to:**
  - **Set priorities**
  - **Lay the groundwork for group problem-solving on unit effectiveness**
  - **Measure changes in attitudes**
  - **Compare their unit to other units-normative data**

Air Force Climate Survey

U.S. AIR FORCE

- **What the survey is**
  - **A tool to measure the climate of an organization**
    - **The “climate” of an organization is a combination of organizational norms, expectations, and values that impact the overall health of an organization**
  - **A feedback mechanism**
    - **Bar graphs and charts of analyzed results**
    - **Comments are not edited or filtered and contain valuable feedback, including new ideas, from members**
  - **Anonymous**
    - **Software masking techniques do not attach the respondent’s user ID and password to survey responses**
    - **Respondents are instructed not to write self-revealing details in the comments portion of the survey**

Air Force Climate Survey

U.S. AIR FORCE

- What the survey is not
  - A Quality of Life (QoL) Survey
    - The Air Force Climate Survey does not solicit information or feedback about base facilities/functions, benefits, etc.
  - A Military Equal Opportunity (MEO) survey
    - The Air Force Climate Survey does not address areas of racial or sexual harassment/discrimination
  - A Community Health Assessment
    - The Air Force Climate Survey does not assess the needs of the community on and off base
  - A Joint or DoD Survey
    - The Air Force Climate Survey is for Air Force members only
  - To be used as a “witch hunt” or report card
    - Results cannot be used for punishment or reward

U.S. AIR FORCE

Timeline

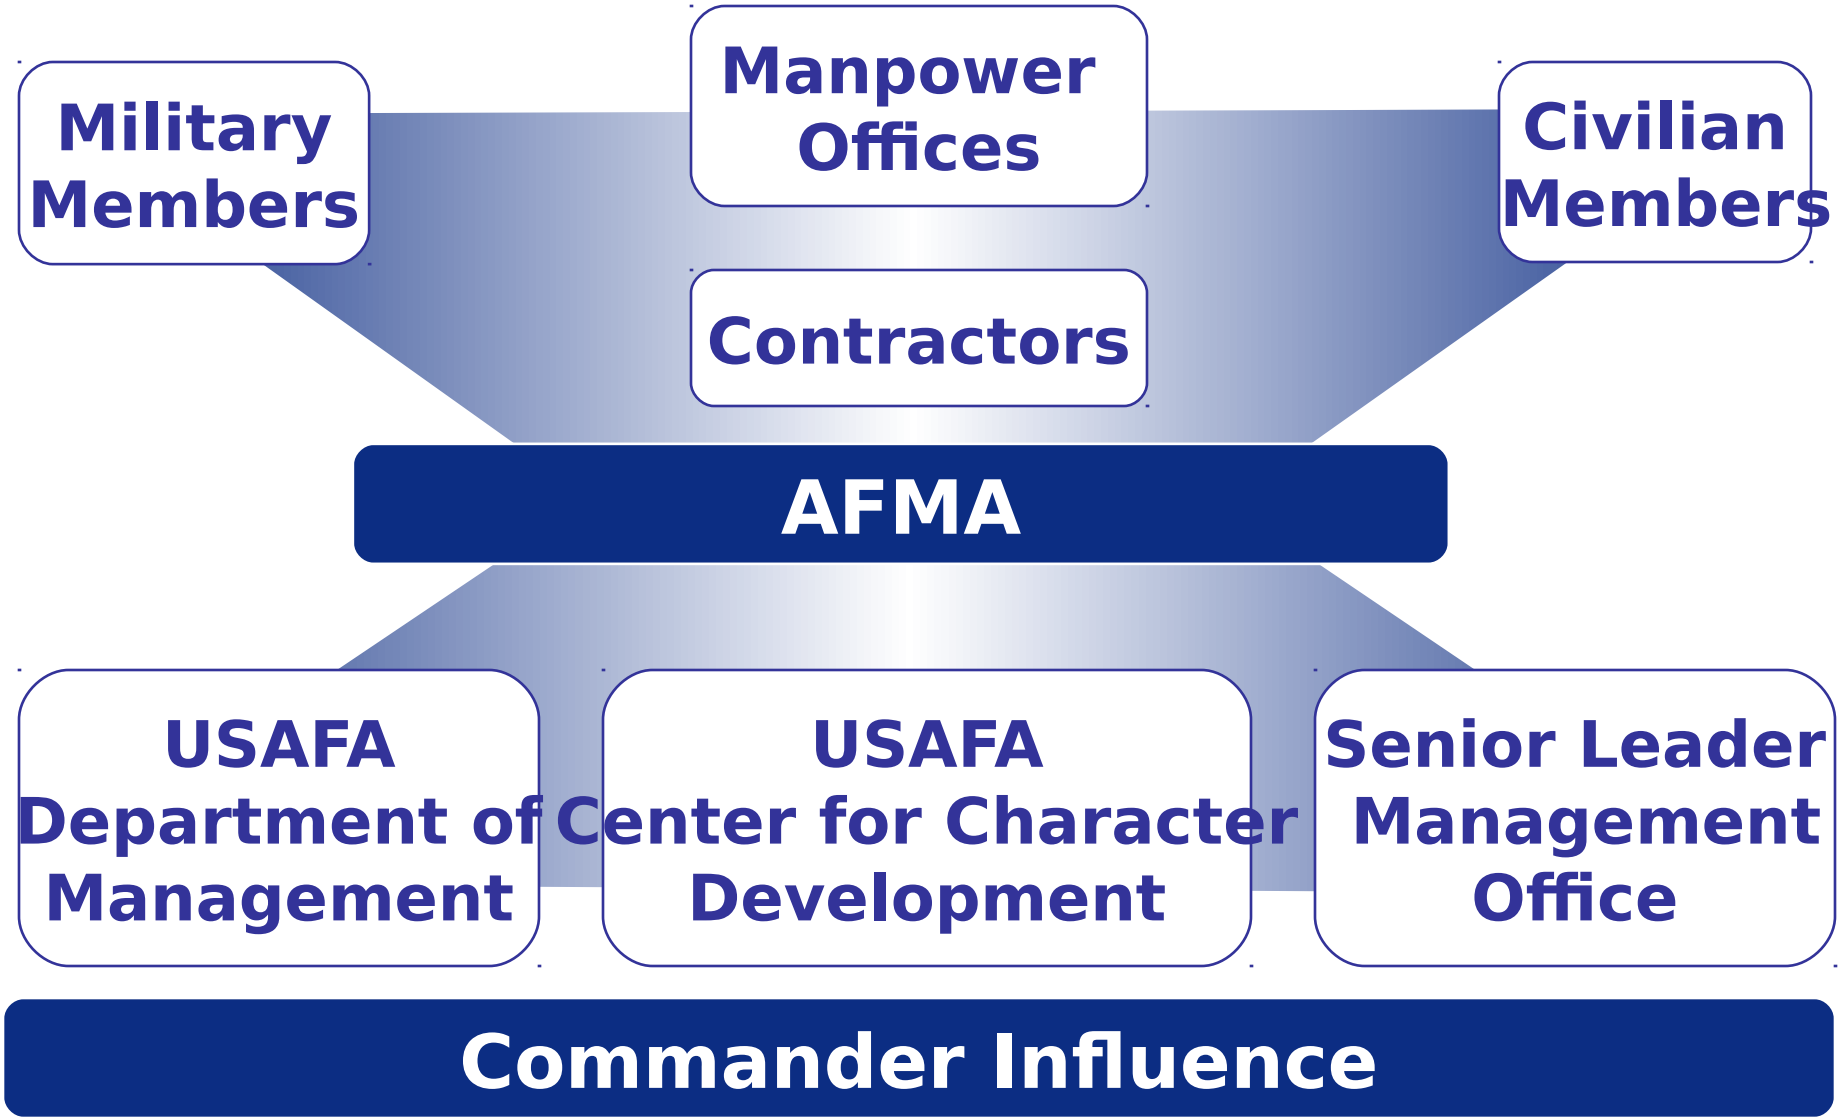
- ADMIN training/certification begins 23 Jun
- Organizational Set-up begins 9 Jul
- VTC Q&A sessions begin 28 Jul
- Marketing Campaign(s) begins 1 Sep
- Survey Collection begins 1 Oct
- Survey Collection ends 23 Nov
- Data Analysis 1 Dec
- CSAF/SECAF briefed Feb 04
- All reports released Feb 04

Core Survey Team



U.S. AIR FORCE

Marketing Strategy

- **Phase I: Prior and During Survey**
  - **Goals: employ various media and briefing avenues to raise survey awareness and interest at all levels to maximize participation**
    - **Working with AFNEWS, SAF/PA, NGB/PA, AFRC/PA**
    - **Theme -- “Speak Today, Shape Tomorrow”**
  - **Products for units: posters, brochures, and information cards**
  - **100% contact - everyone has an opportunity to take the survey**
  - **Common message: “take the survey”**
- **Phase II: After Reports Released**
  - **Goal: employ various media briefing avenues to encourage leadership at all levels to use survey data to create positive change**
  - **Common message: “use the data”**

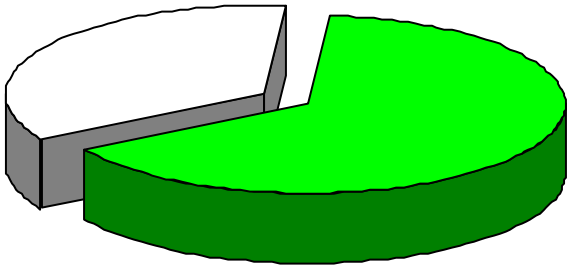
Overall Demographics

35% Non-Respondents

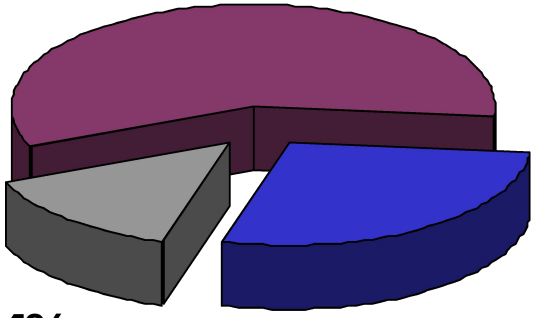


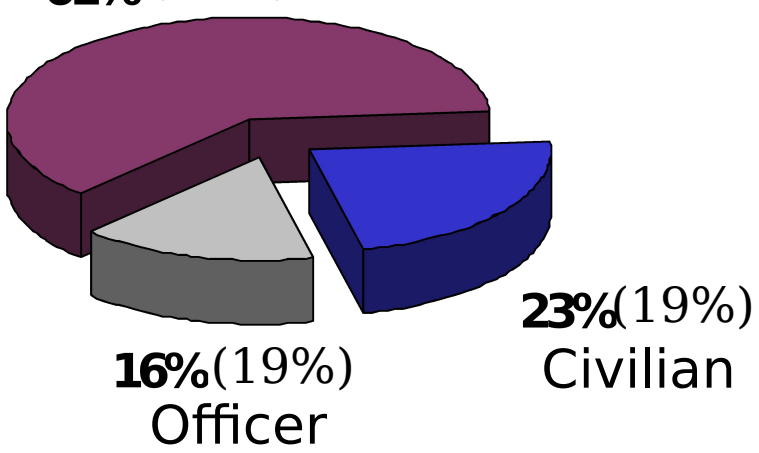
279,100

65% Respondents

(36% in '99)

AF Population by Category	Respondents by Category



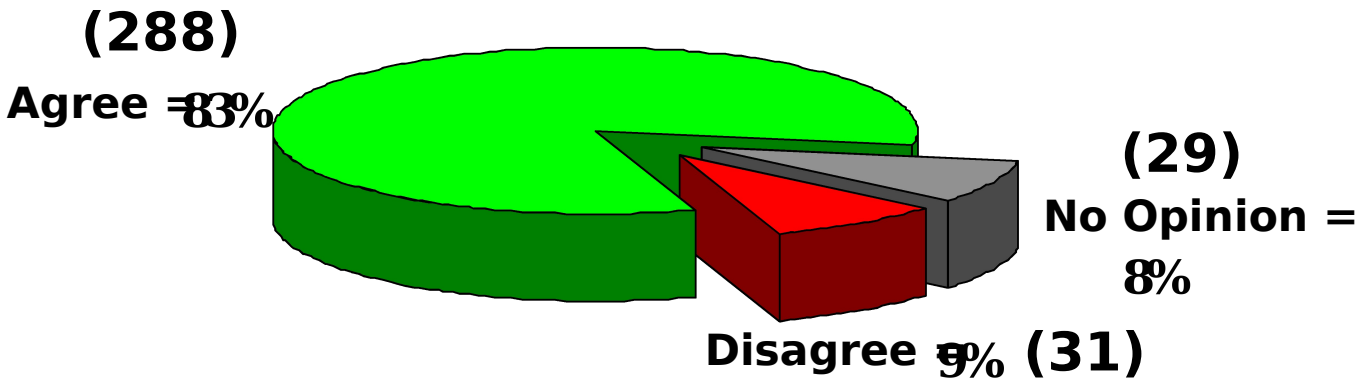


Commander Follow-up Jul 2000

U.S. AIR FORCE

I found the information useful that I received in my organization climate report.

348 commanders responded

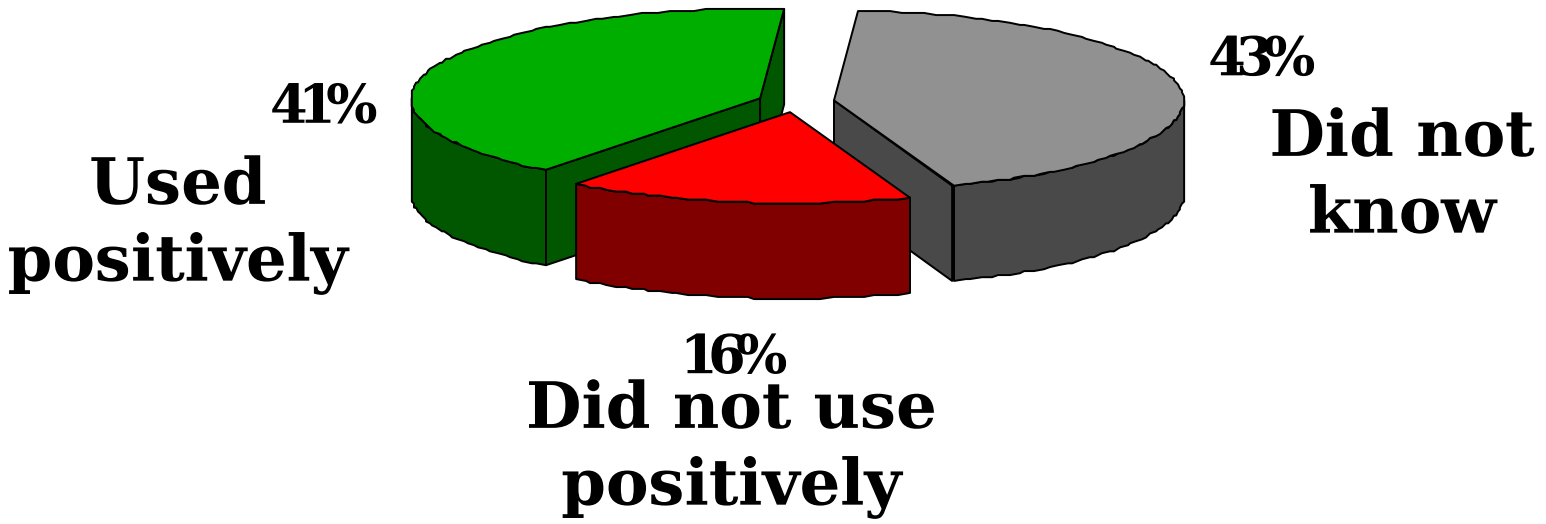


Survey Scale : 1 (Strongly Disagree) to 6 (Strongly Agree)
% Agree = 4 (Slightly Agree) + 5 (Agree) + 6 (Strongly Agree)

An Example of Leadership's Influence

Respondents who had not changed units since results were released in Feb 00, responded to the following question:

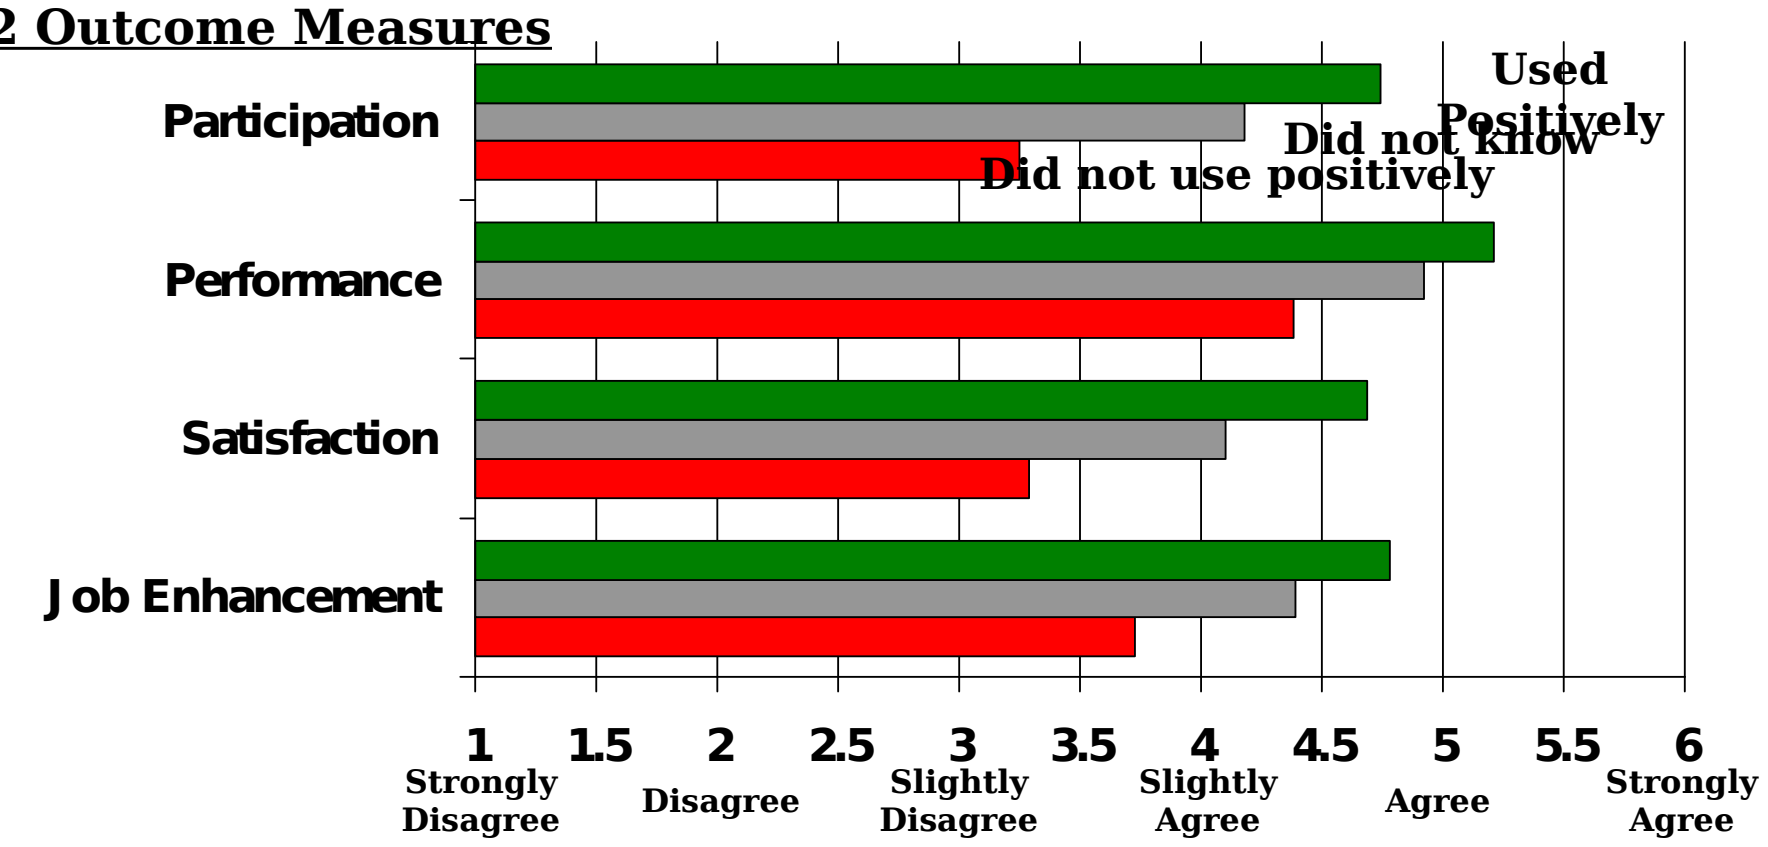
My leader(s) used the CSAF 99 results in a positive way.



Importance of Feedback

U.S. AIR FORCE

- 02 outcome measures were compared against the question: My leader(s) used the CSAF 99 results in a positive way.
- Unit leaders that share information and use ideas/suggestions have higher positive results



U.S. AIR FORCE

Overall AF Section by Question

Unit Leadership	% Agree 02	99	97
	78	**74**	**76**
• The leaders in my chain of command (in my unit) listen to my ideas.	78	75	76
• The leaders in my chain of command (in my unit) are easily accessible.	84	83	82
• I trust the leaders in my chain of command (in my unit).	75	73	76
• I am proud to be associated with the leaders, in my chain of command (in my unit).	79	70	72
• I see the leaders in my chain of command (in my unit) doing the same thing they publicly promote (walking the talk/leading by example).	76	72	73

Survey Scale : 1 (Strongly Disagree) to 6 (Strongly Agree)
% Agree = 4 (%Slightly Agree) + 5 (%Agree) + 6 (%Strongly Agree)

U.S. AIR FORCE

Process for Using The Results

1. Interpret big picture results
2. Select factors on which to focus
Survey
Feedback
3. Conduct a feedback session
4. Integrate feedback session & climate report
Action
5. Develop & share action plan
6. Track action plan
HIGH IMPACT LEADERSHIP
